

Center for Disability Rights, Inc.

On Wednesday July 26, 2023, the Center for Disability Rights (CDR) is hosting our Annual ADA Gala, at ARTISANworks. Proceeds will directly support the services and programs CDR offers to people with disabilities.

We are reaching out to you to help ensure that CDR will be able to continue its mission to work for the full integration, independence, and civil rights of people with disabilities for years to come. In the last three decades, CDR has grown significantly and currently serves 10,000 people with disabilities.

CDR provides services and advocacy that enable people to live in their own home, instead of being forced into unwanted institutional placement. Services are focused on empowering people to become an integral part of the community and choose the life they want for themselves. In addition, CDR is recognized across the state and the nation as an advocate for improvements in policies affecting people with disabilities.

We invite you to play a role in empowering people to become an integral part of our community and celebrate the advances we have made to date. Your financial support would be greatly appreciated. In demonstration of our gratitude, CDR would like to offer you promotional opportunities in recognition of your sponsorship.

Please contact the Development Team with any questions you may have at events@cdrnys.org. Thank you for your consideration. Your sponsorship will support CDR to continue this important work.

Sincerely,

Reggie DeJesus
Supervisor of Independent Living Services
